

Town of Goffstown

SEWER COMMISSION

MINUTES OF MEETING February 2, 2016

PRESENT: Commissioners Steve Crean, Robert Trzepacz; Mike Yergeau, Sewer Engineer; Collis Adams, BOS Representative; Ellen Noyes, Administrative Assistant. **ABSENT:** Catherine Whooten, Commissioner; Mike Walton, Sewer Foreman.

Chairman Crean called the meeting to order at 4:00 p.m.

APPROVAL OF MINUTES – On a MOTION by R. Trzepacz, S. Crean second, the minutes of the meetings of November 17, 2015 and January 14, 2016 were unanimously approved, 2-0-0.

NEW BUSINESS

Main Street Roundabout Project 2017 – Chairman Crean noted the Town is beginning roundabout construction at Main-High-Elm-North Mast Streets and South Mast-Main-Pleasant Streets-Mountain Road in 2017. He wants sewer repairs and upgrades in all affected areas completed this year in advance. M. Yergeau said a 6-inch line on Main Street from East Union Street to Cumberland Farms has to be TV'ed to determine the end of the line, and a severe offset joint 11 feet deep in front of Howe's Pharmacy will require night work for excavation and offset correction.

Former Benchmark Property – S. Crean asked if the former Benchmark property can be connected to sewer without laying line on all of Daniel Plummer Road. M. Yergeau said a pump station and force main would be needed at the lowest point.

OLD BUSINESS

Sewer Use Ordinance and Sewer Accessibility Fee – Revisions will resume after the March 8 Town Meeting when the GSC will be joined by two newly-elected Commissioners.

ADJOURNMENT – S. Crean made a MOTION to adjourn, R. Trzepacz second, all in favor. The meeting adjourned at 4:40 p.m.

Respectfully submitted,
Ellen Noyes, Admin Asst
