**Additional notes (example: update, reval, changes to exemptions, mapping, increases to value, decreases to value, etc.)**

A statistical update of assessed value was performed on all property values for the 2011 tax year. To the best of my knowldge, since 2006, every improved taxable property, that is not posted as "No Trespassing", in Town has been measured and inspected from the exterior. An interior inspection has been done or requested verbally, by a door hangar, or by mail. To the best of my knowledge, every vacant property, including all Current Use property, has been visually inspected and/or reviewed with the assistance of pictometry, other aerial photography and GIS data.
