

On behalf of all of the men and women of the Goffstown Fire Department, welcome to our web page! Our webpage is designed to provide you with information about your fire department and the efforts to achieve our mission of providing emergency response, education, communication and interaction with the community of Goffstown.

Your fire department staff is a hard working and dedicated group of people who are proud to serve our residents and visitors; and do so with pride in their jobs and great care and compassion in the services they provide. Our staff is dedicated to delivering the highest quality customer service whatever the opportunity, and you have our commitment that we will do whatever we can to provide services that exceed your expectations.

Through our response efforts, our personnel stand ready to respond however, we realize that fire prevention and fire safety is our first line of defense and we believe that public safety education can help make Goffstown a safer place. Our web page has a great deal of information regarding safety and we are confident that you will find this information useful in keeping your home, family and workplace safe.

I thank you for stopping by our site and I urge you to look around and learn more about the Goffstown Fire Department and the services we provide. If you have any questions, comments, or would like to learn more about your fire department please feel free to contact me. I welcome your participation in the continual development of *your* fire department and the services we provide.

Sincerely,

Richard S. O'Brien

Fire Chief

Install. Inspect. Protect. *Smoke alarms save lives.*

If your smoke alarm was installed **more than 10 years ago**, it needs to be *replaced*. [Find Out More at the U.S. Fire Administration's web site. »](#)
