

Town of Goffstown, NH

INVITATION TO BID

Sealed bids will be received at the office of the Board of Selectmen, 16 Main Street, Goffstown, New Hampshire for the furnishing and delivery of (2) two Keith Walking Floor or equivalent replacements to the Town of Goffstown Public Works Facility, 404 Elm Street, Goffstown, New Hampshire 03045.

Two (2) 2014 – Replacement Keith Walking Floors or equivalent

Bids will be received until 1:00 PM, April 10, 2014 at the Town Offices, 16 Main Street, Goffstown, NH 03045. Bids will be publicly opened and read at that time.

Copies of the Bid Documents/Bid Specifications may be obtained, without charge, on the Town's website at goffstown.com or at the Public Works Office, 404 Elm Street, Goffstown, NH 03045 between the hours of 7:00 AM-3:30 PM, Monday through Friday. All questions will be directed to Mark Urella at the Public Works Department (603) 497-8994 extension 222.

Bids, when opened, shall be irrevocable for a period of sixty (60) calendar days following the bid opening date. Following a review of all bids by the Public Works Director, a recommendation will be sent to the Board of Selectmen. This judgment shall be final and the right is reserved by the Town, through the Board of Selectmen, to reject any or all bids as it may determine and to waive defects in form or minor irregularities where the best interest of the Town would be served.

Replacement of (2) two Keith Walking Floors or equivalent

Replace Keith Walking Floors in two 2002 Spec Tec Trailers with Keith Walking Floor model 2307 or equivalent – 2 rib high impact with bearings. Trailers to be done one at a time with the quickest possible turnaround time. Both trailers (currently in use) will be made available for inspection at the Public Works Department, 404 Elm Street, Goffstown, NH.

Currently installed: Keith model 1914 – 6” slat impact with 15’ wear strips – 3 ½” cylinder on two 2002 Spec Tec aluminum trailers, 48’ x 96” wide, 118 cubic yards.

Remove current and replace with Keith model 2307 or equivalent – 6” wide 2 rib high impact floor with bearings and related parts to make floor complete and fully operational.

Please include up charge to Model 2426 – 3 rib high impact floor with bearings and fully operational.
