

## HISTORIC PRESERVATION CONSULTANT

The Town of Goffstown is seeking a historic preservation consultant to complete a historic district area form using guidelines set by the NH Division of Historical Resources for a proposed historic district of approximately 20 properties near the Grasmere Historic District of Goffstown, New Hampshire. This area form will help determine if the boundaries of the current local historic district should be expanded to include surrounding sites and structures relevant to the historic district. This information may be used for a possible nomination to the National Register of Historic Places for the Grasmere Historic District.

Applicants must have at least one year of professional experience in historic preservation and have a Master's Degree in historic preservation or a closely related field such as history, architectural history, or cultural geography. Two additional years of qualifying experience may substitute for the requirement of a Master's Degree. Priority consideration will be given to those applicants with demonstrated experience in successful National Register nominations and familiarity with New Hampshire resources and survey methodology.

Sealed bids, marked "**Grasmere Historic District Bid**" clearly on the outside of the bid, will be received by the Administration Office, 16 Main Street, Goffstown, NH 03045 until 3:00 p.m. on Wednesday, April 22, 2009 at which time they will be publicly opened and read. A Notice of Award will be mailed to the successful bidder. The Town reserves the right to reject and/or waive any bids if deemed in the best interest of the Town.

Questions may be addressed to:

Elizabeth Dubrulle  
Chair, Historic District Commission  
9 First Ave.
