

Goffstown TV Cablecast and Bulletin Board System

The Town of Goffstown, NH is soliciting bids for a cablecast server and bulletin board system.

Bid Specifications to include:

1. Tightrope Media Systems Cablecast SX4
2. Two (2) Tightrope Media Systems Carousel units with necessary licenses for two channels. Must be compatible with SX4 server.
3. Blackmagic VideoHub 16x16 router or equivalent digital (sdi) router.
4. All necessary & proper cabling
5. Two (2) analog to SDI converter boxes. Must have audio embedded in SDI signal.
6. One HDMI to SDI Converter. Must have audio embedded in signals
7. Transfer and backup of current SX2 and Carousel and installation for seamless transition. (Please itemize this as an add-on. Goffstown TV reserves the right to choose an installer or install with staff)
8. Trade-in value of our existing SX2 Server.
9. Trade-in value for our existing Tightrope Carousel unit.

Please Itemize bids as listed above. All bids must be submitted in a sealed envelope and received prior to Tuesday, April 8th at 2pm, when they will be publicly opened and read. All bids must be clearly marked on the outside with these words to be eligible for consideration.
