

# DISTINCTIVE HISTORIC PLAQUES FOR YOUR HOME OR BUSINESS

These beautiful historic plaques are the perfect complement to any home or building, providing a sense of continuity across the wide variety of architectural styles in Goffstown.

Your purchase will benefit the restoration of the Grasmere Town Hall and its opening as Goffstown's community center. When restored, the Grasmere Town Hall will serve as a meeting place for local groups and events in a majestic historic setting.

Each plaque is 11 ½ by 8 ¾ inches and comes with two brass screws for easy mounting. The plaques are made of durable waterproof material to withstand New Hampshire's variable climate.

Cost per plaque is \$35. Make checks payable to the Heritage Fund and mail to:  
Goffstown Historic District Commission, 16 Main St., Goffstown NH 03045  
Please return the bottom portion of this form with your check.

Questions? Need help finding the construction date for your structure?
