

The Goffstown Police Department is scheduled for an on-site assessment as part of a program to maintain international accreditation. Administered by the Commission on Accreditation for Law Enforcement Agencies, Inc., the program requires agencies to meet and maintain compliance with state of the art standards in four basic areas; policies and procedures, administration, operations, and support services.

As part of the on-site assessment, agency employees and members of the community are invited to offer comments at a public information session April 10, 2012 at 6:00 PM. The session will be conducted in the Mildred Stark Room in the lower level of the Town Hall, 16 Main Street Goffstown, New Hampshire. Agency employees and the public are also invited to offer comments by calling (603) 497-8896 on April 11, 2012 between the hours of 2:00 and 4:00 PM.

Telephone comments as well as appearances at the public session must address the agency's ability to comply with the Commission's standards. The local contact is Michelle Provencher, (603) 497-4858.

Anyone wishing to submit written comments about the Goffstown Police Department's ability to comply with the standards for accreditation may send them to the Commission on Accreditation for Law Enforcement Agencies, Inc., 13575 Heathcote Blvd, Suite 320, Gainesville Virginia, 20155, Attention Karen Shepard, Assessment Manager.
