

The Fifth CITIZENS POLICE ACADEMY, sponsored by the Goffstown Police Department is scheduled to begin on September 20th, 2012. Sessions will be held on Thursday evenings from 6:30 PM to 9:00 PM.

The Goffstown Police Department's CITIZENS POLICE ACADEMY is a ten week program designed to inform citizens about the role of this agency in our community. The program consists of both classroom and demonstration format with some limited hands on participation, if you so choose.

Upon your acceptance into the program, you can expect an informative session examining all the duties, functions and training of the Goffstown Police Department and its officers.

Upon completion of this course it is our hope that not only will you have a better understanding of our profession, but you will have located a particular area of interest where you may wish to explore further and perhaps contribute to your community by volunteering.

Should you wish further information regarding this program, or an application, please call the Goffstown Police Department at 497-4858, and speak with Sergeant Matthew Hozeny, or Lieutenant Pierre Pouliot.
