

The Goffstown Police Department announces the upcoming winter parking ban will take effect on November 15, 2012. The parking ban is in effect for the winter months ending April 15, 2013. The Goffstown Police Department strictly enforces violations of the overnight parking ban. If weather conditions are favorable, written warnings may be issued during the first week of the ban. If, during snow removal operations, a vehicle is parked so as to constitute a hazard, its removal may be requested by the highway department. The Goffstown Police Department will investigate and make all reasonable attempts to locate the owner. If the owner or operator is not located, the vehicle will be towed at the owner's expense.
